

ZIPPER SPYDER™ WHEELS

NEW!

for Spring of 2020

- ▶ Self-cleaning wheel in wetter soils
- ▶ Weighs 11 pounds each

Zipper Spyders have been switched around to close a tight furrow

Many of the spiked wheels on the market wrap or plug. We have even had farmers **switch the Zipper Spyders around** (shown to left) running the right on the left side of the planter and the left wheel on the right with the fingers turned inward and interlocking to eliminate plugging.

ALL-CAST ZIPPER SPYDER WILL NOT PLUG WITH MUD
